

YOUR CAPITAL HEALTH PLAN

FIRST IN FLORIDA, FIRST IN REGION – Capital Health Plan is the top ranked health plan in Florida and our region, which includes nine southern states and the District of Columbia, according to the annual report of the National Committee for Quality Assurance (NCQA). Capital Health Plan is recognized as one of the top health plans in the country for quality and service to its members (as noted in U.S. News & World Report “America’s Best Health Plans”).

CHP Health Coaching – 24/7 benefit that includes telephone access to practitioners and online access to educational materials (including wellness modules to promote health habits) and health risk appraisals.

CHPConnect – 24-hour CHPConnect gives you more control of your health. You can review your doctor visits, diagnoses, referrals, medications, immunizations, benefits and copays, and a great health library. Just go to www.capitalhealth.com.

BlueCard® – An added convenience when you must receive urgent or emergency care when traveling is the BlueCard® program.

National Walgreens Affiliation – Prescriptions for out-of-area urgent and emergency care and for Away from Home Care® participants may be filled at any Walgreens pharmacy in the nation – some 4,000 stores!

Away From Home Care® – The Away from Home Care® program provides health care and peace of mind for college students, members on out-of-area work assignments, and eligible children living with a custodial parent in another area.

Urgent Care – For severe colds, urinary infections, minor injuries, and other urgent but nonemergency conditions, the Urgent Care Center is a tremendous resource. This unique, patient-friendly center staffed by nurses and physicians provides urgent care weekdays, noon -11 p.m., and weekends, 9 a.m. - 8 p.m., at our Centerville Place Health Center.

CHP Imaging Center – Digital Mammography, DEXA Scanning, and Ultrasound Exams are available in our Governor’s Square Health Center.

Free Health Education Classes – These classes include weight loss, smoking cessation, CPR, diabetes management, asthma management, and more....
